

IBC ENVIRONMENTAL POLICIES

IBC-13 has complied with the Environmental Management Bureau / Laguna Lake Development Authority requirements of securing an environmental clearance for the construction and maintenance of its new building and the discharge permit therefor.

A Pollution Control Officer has likewise been appointed to attend to this area.

Undertakings

IBC-13 has undertaken the following:

1. Appointment of a Pollution Control Officer;
2. Application for and acquisition of an LLDA Clearance for Development Plan/Project/Program within the Laguna de Bay region; and
3. Application for and acquisition of a Discharge Permit from the LLDA for the IBC-13 Building in Capitol Hills, Matandang Balara, Quezon City.
